Curtin Stadium Health and Rehab Clinic is located within Curtin Stadium, Building 111, on the Curtin University Bentley campus. The easiest way to find us is by entering Curtin University at the **Northern Kent St entrance (see photo below)**. Enter the car park immediately on your right and park in one of our purple-coloured reserved bays (the row closest to the oval). Follow the path around the building and enter through the sliding doors to our reception desk. To avoid parking infringement, please present yourself to reception with your vehicle registration number so that we can input you into our parking database. If you are unsure, please call **9266 7870** and one of our receptionists will help to direct you.

Please enter from Kent Street at this entrance:
